## New Program Request Form for Certificate Programs, Bachelor's and Master's Degrees

**Directions:** An institution shall use this form to propose a new bachelor's or master's degree program. In completing the form, the institution should refer to the document *Standards for Bachelor's and Master's Programs*, which prescribes specific requirements for new degree programs. Note: This form requires signatures of (1) the Chief Executive Officer, certifying adequacy of funding for the new program; (2) a member of the Board of Regents (or designee), certifying Board approval, and (3) if applicable, a member of the Board of Regents or (designee), certifying that criteria have been met for staff-level approval. NOTE: Preliminary authority is required for all engineering programs. An institution that does not have preliminary authority for a proposed engineering program shall submit a separate request for preliminary authority prior to submitting the degree program request form. That request shall address criteria set in Coordinating Board rules Section 5.24 (a).

### Administrative Information

1. Institution: Texas A&M University, College Station, TX

2. Program Name – Show how the program would appear on the Coordinating Board's program inventory (e.g., *Bachelor of Business Administration degree with a major in Accounting*):

Certificate in Community Recreation and Park Administration (available to students earning a B.S. in Recreation, Park and Tourism Sciences)

3. Proposed CIP Code: 31.0101.00

4. Brief Program Description – Describe the program and the educational objectives:

This certificate prepares students for managerial careers with public recreation and park agencies, youth agencies, not-for-profit recreation agencies, and commercial recreation enterprises. Management of recreation, park and leisure-service agencies requires expertise in problem-solving, decision-making, assessment of social and environmental impacts, personnel, public relations, volunteer management, financing and fund-raising, marketing of services, and needs assessments. Skills in working with people in the legal and political environment are necessary, as well as the ability to assess and work with other organizations for cooperative developments in recreation and tourism.

The certificate includes 19 credits of required coursework.

5. Administrative Unit – Identify where the program would fit within the organizational structure of the university (e.g., *The Department of Electrical Engineering within the College of Engineering*):

The Department of Recreation, Park and Tourism Sciences within the College of Agriculture and Life Sciences

6. Proposed Implementation Date – Report the first semester and year that students would enter the program: Fall 2014

7. Contact Person – Provide contact information for the person who can answer specific questions

about the program:

Name: Susan G. Scott

## Program Information

### I. Need

*Note: Complete I.A and I.B only if preliminary authority for the program was granted more than four years ago. This includes programs for which the institution was granted broad preliminary authority for the discipline.*

- A. Job Market Need – This request is not for a new program but rather for revisions to an existing program through the creation of transcribed certificates. Since the mid 1960s the base RPTS program has placed hundreds of students in full time professional positions with municipalities, state and federal agencies, private companies and not-for-profit organizations. Current Bureau of Labor Statistics occupational outlook estimates a 19% increase in employment in the recreation field. These professionals must be well educated in the basics of RPTS but also benefit from specialized knowledge related to programming, management, operations, planning and policy specific to youth. The proposed certificate combined with the core courses in RPTS will address these needs with no additions to the current curriculum.
- B. Student Demand – The number of undergraduate students enrolled in the RPTS degree program has been just over 400 for the past three years. Five to seven percent of current students are actively pursuing an option in Community Recreation and Park Administration. Though increases in enrollment are not likely demand for the certificate is anticipated to be higher than for the current option area. Students will be able to select more than one certificate to pursue during the course of their degree.
- C. Enrollment Projections – Projections in the table below represent an anticipated increase in demand for the proposed certificate over the current option area. As the certificate becomes established students can plan for their curriculums to include requirements for more than one certificate.

YEAR	1	2	3	4	5
Headcount	20	25	40	40	40
FTSE	15	20	35	35	35

### II. Quality

- A. Certificate and Degree Requirements – Use this table to show the certificate and degree requirements of the program. (*Modify the table as needed; if necessary, replicate the table for more than one option.*)

Category	Semester Credit Hours
General Education Core Curriculum ( <i>bachelor's degree only</i> )	42
Required Courses	22
Prescribed Electives	12
Free Electives	25
Certificate	19
TOTAL	120

- B. Curriculum – Use these tables to identify the required courses and prescribed electives of the program, and curriculum as it will appear in the undergraduate and graduate catalog. Note with an asterisk (\*) courses that would be added if the program is approved. (*Add and delete rows as needed. If applicable, replicate the tables for different tracks/options as shown in the undergraduate catalog.*)

Prefix and Number	Required Courses	SCH
RPTS 209	Park and Tourism Operations	3
RPTS 304 or 423	Administration of Recreation Resource Agencies Or Resort and Tourism Management	3
RPTS 370	Youth Development Organizations and Services	3
RPTS 402	Park Planning and Design	3
RPTS 403	Financing and Marketing Recreation, Park and Tourism Resources	4
Prefix and Number	Prescribed Elective Courses	SCH
RPTS Elective	Any RPTS course not included in Core or Certificate	3
	TOTAL SCH	19

- C. Faculty – Use these tables to provide information about Core and Support faculty. Add an asterisk (\*) before the name of the individual who will have direct administrative responsibilities for the program. (Add and delete rows as needed.)

<b>Name of <u>Core</u> Faculty and Faculty Rank</b>	<b>Highest Degree and Awarding Institution</b>	<b>Courses Assigned in Program</b>	<b>% Time Assigned To Program</b>
e.g.: Robertson, David Asst. Professor	PhD. in Molecular Genetics Univ. of Texas at Dallas	MG200, MG285 MG824 (Lab Only)	50%
Outley, Corliss Assoc. Professor	PhD in Recreation, Park and Tourism Sciences Texas A&M University	RPTS 370	15%
*Hodges, Louis Assoc. Professor	PhD in Recreation, Park and Tourism Sciences Texas A&M University	RPTS 209	25%
Shafer, Scott Professor	PhD in Parks, Recreation and Tourism Management Clemson University	RPTS 402	25%
Crompton, John Distinguished Professor	PhD in Recreation Resource Development Texas A&M University	RPTS 403	25%

<b>Name of <u>Support</u> Faculty and Faculty Rank</b>	<b>Highest Degree and Awarding Institution</b>	<b>Courses Assigned in Program</b>	<b>% Time Assigned To Program</b>
Fox, Ron Lecturer	MEd in Education Administration Texas A&M University	RPTS 304	20%
Free, Kimberly Lecturer	PhD in Parks, Recreation and Tourism University of Utah	RPTS 304	10%
Jamal, Tazim Associate Professor	PhD in Management University of Calgary	RPTS 423	15%

- D. Students – This request is for the development of certificates and should not alter our current student recruitment nor require recruitment to fill existing courses. In the last 5 years the RPTS program has achieved increases in enrollment of students from underrepresented populations.
- E. Library – Library holdings are sufficient to support the Community Recreation and Park Administration Certificate as proposed.

- F. Facilities and Equipment – The conversion of the Community Recreation and Park Administration option to a certificate takes advantage of existing facilities and faculty resources. No additions are required.
  
- G. Accreditation – The National Recreation and Park Association (NRPA) is the accrediting body for the Recreation, Park and Tourism Sciences Major. The department is currently accredited with NRPA and intends to remain accredited. The proposed certificate will not influence the program's ability to retain this accreditation.
  
- H. Evaluation – The Recreation, Park and Tourism Sciences Department is involved in a detailed assessment program for all option areas. This assessment will also be applied to the certificate being proposed. Assessment includes separate testing for stated learning outcomes, supervisory evaluations of internships, student evaluations of courses and the department among others. These measures are reviewed and actions are taken to adjust course content, departmental policy or other programmatic procedures.

### III. Costs and Funding

Five-Year Costs and Funding Sources - The proposed certificate makes use of existing facilities and resources and will not incur new costs or require additional funding.

Five-Year Costs		Five-Year Funding	
Personnel <sup>1</sup>	\$0	Reallocated Funds	\$0
Facilities and Equipment	\$0	Anticipated New Formula Funding <sup>3</sup>	\$0
Library, Supplies, and Materials	\$0	Special Item Funding	\$0
Other <sup>2</sup>	\$0	Other <sup>4</sup>	\$0
<b>Total Costs</b>	<b>\$0</b>	<b>Total Funding</b>	<b>\$0</b>

1. Report costs for new faculty hires, graduate assistants, and technical support personnel. For new faculty, prorate individual salaries as a percentage of the time assigned to the program. If existing faculty will contribute to program, include costs necessary to maintain existing programs (e.g., cost of adjunct to cover courses previously taught by faculty who would teach in new program).
2. Specify other costs here (e.g., administrative costs, travel).
3. Indicate formula funding for students new to the institution because of the program; formula funding should be included only for years three through five of the program and should reflect enrollment projections for years three through five.
4. Report other sources of funding here. In-hand grants, "likely" future grants, and designated tuition and fees can be included.

### Signature Page

1. Adequacy of Funding – The chief executive officer shall sign the following statement:

*I certify that the institution has adequate funds to cover the costs of the new program. Furthermore, the new program will not reduce the effectiveness or quality of existing programs at the institution.*

Chief Executive Officer

\_\_\_\_\_  
Date

2. Board of Regents or Designee Approval – A member of the Board of Regents or designee shall sign the following statement:

*On behalf of the Board of Regents, I approve the program.*

\_\_\_\_\_  
Board of Regents (Designee)

\_\_\_\_\_  
Date of Approval

3. Board of Regents Certification of Criteria for Commissioner of Assistant Commissioner  
Approval – For a program to be approved by the Commissioner or  
the Assistant Commissioner for Academic Affairs and Research, the Board of  
Regents or designee must certify that the new program meets the eight criteria under  
TAC Section 5.50 (b): The criteria stipulate that the program shall:

- (1) be within the institution's current Table of Programs;
- (2) have a curriculum, faculty, resources, support services, and other components of a degree program that are comparable to those of high quality programs in the same or similar disciplines at other institutions;
- (3) have sufficient clinical or in-service sites, if applicable, to support the program;
- (4) be consistent with the standards of the Commission of Colleges of the Southern Association of Colleges and Schools and, if applicable, with the standards or discipline-specific accrediting agencies and licensing agencies;
- (5) attract students on a long-term basis and produce graduates who would have opportunities for employment; or the program is appropriate for the development of a well-rounded array of basic baccalaureate degree programs at the institution;
- (6) not unnecessarily duplicate existing programs at other institutions;
- (7) not be dependent on future Special Item funding
- (8) have new five-year costs that would not exceed \$2 million.

*On behalf of the Board of Regents, I certify that the new program meets the criteria specified under TAC Section 5.50 (b).*
