Pursuant to the "Family Education Rights and Privacy Act of 1974" (FERPA), I request that my information classified as "directory information" be withheld by the University from public disclosure. However, I understand this information may be provided to Texas A&M University officials and other specified individuals as prescribed by FERPA.

I am aware it will take approximately one month to remove this information from materials already in circulation, excluding the campus directory. The campus directory is printed once a year and after the data is compiled, no information can be removed from the directory.

I understand this request supersedes any previously submitted requests for directory information restrictions or releases.

Be advised that restricting certain directory information such as your **name, program of study, or degrees received** may prohibit any release of information regarding your attendance at Texas A&M. This could prevent you from being recognized for awards, participating in commencement ceremonies, receiving enrollment verifications, etc.

Mark (✓) the appropriate box for each item. Items left unchecked will be released as directory information.
