

Official Withdrawal

Important Information for Students – READ CAREFULLY!

- **STUDENTS RECEIVING FINANCIAL AID** should talk to a financial aid advisor before withdrawing. Withdrawal from the University does not cancel all tuition and fees, but can substantially affect aid eligibility. Failure to comply may result in your owing a substantial sum rather than having a zero balance or a refund.
- **INTERNATIONAL STUDENTS holding F-1 or J-1 student visas must go to International Student Services in Bizzell East by 5 p.m. the day you begin your withdrawal process** in order to protect your rights to any refunds due you. In addition, the ISS advisor will explain how withdrawing may affect your immigration and sponsored program status, and will explain how readmission requirements affect you.
- In addition to receiving approval from your dean or dean's representatives, **STUDENT-ATHLETES** (including practice players, managers, and trainers) **MUST** receive approval from Athletic Compliance and Athletic Certification (Office of the Registrar) before withdrawing.
- Once you have completed the Student Request for Official Withdrawal form and your withdrawal has been entered by your academic college, you will be considered withdrawn from the University. You will no longer be entitled to use services or facilities provided for the benefit of Texas A&M University students unless you have made prior arrangements with specific University departments.
- It is your responsibility to protect your entitlement to refunds, to fulfill your obligations concerning financial aid, and, if applicable, to return equipment and uniforms in order to avoid being billed for those items.
- Please review the instructions below for contacting various service offices and contact those that apply to you before you leave the University to ensure you leave in good standing and that you will receive any refunds to which you are entitled. *Failure to clear with the appropriate offices also may result in processing delays should you decide to re-enroll at a later date or require access to your academic record.*
- **THE UNIVERSITY ASSUMES NO RESPONSIBILITY FOR LOST OR REDUCED REFUNDS, OR LOSS OF FINANCIAL AID OR OTHER ENTITLEMENTS IF YOU FAIL TO CLEAR THROUGH THE APPROPRIATE OFFICES.**

Official Withdrawal

Withdrawal Procedures for Dean's Office

- **Withdrawals must be entered into Compass on the date the student submits a Student Request for Official Withdrawal. Withdrawals are effective as of the date entered, and may not be entered at a later date and then backdated, except under special circumstances and only by the Office of the Registrar. A delay in entry of the withdrawal can result in a significant financial penalty to the student.**
- A student who wishes to withdraw must have the approval of his/her academic dean or dean's representative. **Student-athletes must also have approval from the Athletic Compliance and the Athletic Certification offices.**
- A student who wishes to withdraw should be advised to consider all consequences of withdrawing from the University. Students receiving financial aid should contact a financial aid advisor to determine what impact withdrawing will have on current and future financial aid eligibility. Students living in on-campus residence halls will be required to vacate their residence hall room within a specific period of time as determined by the Housing Office.
- **International students must contact an International Student Services advisor for information on how withdrawing will affect their immigration and/or sponsored program status.**
- The academic dean or dean's representative will require the student to complete the appropriate section of the Student Request for Official Withdrawal and review and acknowledge their responsibilities as outlined in "Important Information for Students". Failure to return equipment, uniforms, or other materials, or failure to contact appropriate offices to request refunds may result in a loss of the student's entitlement to such refunds. The student may also encounter difficulties if he/she plans to return to the University or requires an official transcript.
- The academic dean or dean's representative will complete the dean's authorization section of the Student Request for Official Withdrawal and enter the appropriate withdrawal code on the SZAREGS form. The official withdrawal date is automatically assigned as the date the withdrawal code is entered in Compass. **Approved student-athlete withdrawals (including practice players, managers, and trainers) should be forwarded by the dean or dean's representative to the Athletic Compliance Office in the Nye Academic Center, 2nd Floor, Bright Football Complex for additional approvals. Athletic Compliance will forward forms to the Office of the Registrar for processing/entering into Compass. The withdrawal date will be entered as the "official withdrawal date" indicated on the form when the withdrawal was approved by the student's dean or dean's representative.**
- The academic dean or dean's representative must forward the original Student Request for Official Withdrawal form to the Records Section of the Office of the Registrar at the General Services Complex, Mail Stop 0100, for permanent archiving. A copy of the withdrawal form, along with the Important Information for Students page should be given to the student; another copy may be retained in the dean's office if desired.
- In an emergency situation, a student or parent may request withdrawal of the student via the telephone. In those cases the date of withdrawal will be the date the withdrawal code is entered in COMPASS. However, written confirmation by letter, fax, or a completed Student Request for Official Withdrawal is required so that a permanent record of the student's signature may be retained on file in the Office of the Registrar, Records Section. The academic dean or dean's representative should request that verification documents be sent within five working days and place a block on the student's record to ensure compliance. Failure to receive written notification will not affect the status of a withdrawal, but it does omit an important piece of documentation should the matter be questioned or appealed at a later date.
- **It is important to remember that once approved and entered in COMPASS, a withdrawal is considered final. However, the COMPASS system will not post updates to the student's semester grades (from IP to W) or publish withdrawal reports until after 5 p.m. each day.** This permits the academic dean or dean's representative to reverse a withdrawal until 5 p.m. on the day the action was entered.
- It is important to advise the student that once the withdrawal is entered, the student is no longer considered enrolled and will no longer be entitled to use University services and/or facilities beyond any prior arrangements made by the student with individual departments.
- If a student is withdrawn in error, you must contact the Records Section of the Office of the Registrar at 845-1003.
- **Students may not withdraw after the withdrawal deadline except in unusual, nonacademic circumstances as approved by their academic dean. Students may not withdraw during final examination periods. (Student Rules, Section 17.1)**
