Lab Safety Acknowledgment

LSA for Fall 2018

By electronically signing this form, I verify that I will read and agree to follow the safety practices required for my laboratory courses as established by my professor(s), by the College, and by Texas A&M University. I will locate all emergency equipment and personal protective equipment (PPE), I will learn how to use the PPE, and I will always use the appropriate PPE for the work that I am doing. If I do not understand the instructions or how to operate the emergency equipment or PPE, I will ask the instructor for clarification.
