

Final Examination Schedule – Fall 2020

Any questions may be directed to 979-845-1031 or registrar@tamu.edu.

Due to the COVID-19 pandemic and associated guidelines, changes have been made to the final examination schedule.

Exception to Student Rule 8.2.1: fall 2020 final exam schedules have been extended by 30-minutes to address challenges of proctoring examinations online.

Scheduled exam times for courses meeting asynchronously are available on December 3, 8, and 9. Instructors teaching asynchronously during the semester and offering synchronous (scheduled) finals should select the asynchronous exam time that minimizes exam conflicts for students.

Synchronous classes with asynchronous (unscheduled) finals may be given starting December 1, 2020 and should be due no later than 4:30 p.m. on December 9, 2020.
