

TEXAS A&M UNIVERSITY
Commencement

May 12-13, 2021

TEXAS A&M UNIVERSITY
COMMENCEMENT

Wednesday, May 12, 2021, 9:00 a.m.

College of Veterinary Medicine and Biomedical Sciences

Wednesday, May 12, 2021, 4:00 p.m.

College of Engineering

Departments: Chemical Engineering; Engineering Technology and Industrial Distribution (Major: Industrial Distribution)

Wednesday, May 12, 2021, 7:30 p.m.

College of Engineering

Departments: Engineering Technology and Industrial Distribution (Majors: Technical Management, Engineering Technology, Electronic Systems Engineering Technology, Manufacturing and Mechanical Engineering Technology, Multidisciplinary Engineering Technology); Industrial and Systems Engineering

Thursday, May 13, 2021, 9:00 a.m.

College of Engineering

Departments: Engineering; Computer Science and Engineering; Materials Science and Engineering; Multidisciplinary Engineering; Ocean Engineering

Thursday, May 13, 2021, 12:30 p.m.

College of Engineering

Departments: Aerospace Engineering; Electrical and Computer Engineering

Thursday, May 13, 2021, 4:00 p.m.

College of Engineering

Departments: Biological and Agricultural Engineering; Mechanical Engineering; Nuclear Engineering

Thursday, May 13, 2020, 7:30 p.m.

College of Engineering

Departments: Biomedical Engineering; Civil and Environmental Engineering; Petroleum Engineering

☪

☪

TEXAS A&M UNIVERSITY COMMENCEMENT

Program

Procession of Stage Party

The National Anthem

Invocation

Student Expression of Appreciation

Greetings and Authorization to Confer Degrees

Presentation of Degree Candidates and Conferring of Degrees

Induction into The Association of Former Students

Presentation of Diplomas

Faculty Marshals

Mace Bearer

Dr. Blanca Lupiani, Associate Provost and Dean of Faculties

Stage Party

Ms. Venesa A. Heidick, Registrar

Mr. Chris Reed, Executive Director of Admissions

Announcers

Ms. Nora Cargo, Director, Scholarships & Financial Aid

Mr. Mike Fitch, Transcript Analyst, Office of Admissions

Mr. Steve Fullhart, Manager, Brazos Valley Economic Development Corporation

Judge Rick Hill, Brazos County Justice of the Peace Precinct 3

The Texas A&M University System Board of Regents

Ms. Elaine Mendoza, Chairman San Antonio

Mr. Tim Leach, Vice Chairman Midland

Mr. Phil Adams Bryan/College Station

Mr. Robert L. Albritton Fort Worth

Mr. Jay C. Graham Houston

Mr. Michael A. "Mike" Hernandez III Fort Worth

Mr. Bill Mahomes, Jr. Dallas

Mr. Michael J. Plank Houston

Mr. Cliff Thomas Victoria

Mr. Cahlen Cheatham (Student Regent) Stephenville

Chancellor

Mr. John Sharp Placedo

Texas A&M University Administrative Officers

President (interim) Dr. John L. Junkins

Provost and Executive Vice President (interim) . . Dr. Mark H. Weichold

Dean, College of Agriculture and Life Sciences Dr. Patrick J. Stover

Dean, College of Architecture Dr. Jorge A. Vanegas

Dean, Mays Business School (acting) Dr. R. Duane Ireland

Dean, College of Dentistry Dr. Lawrence E. Wolinsky

Dean, College of Education and

Human Development Dr. Joyce M. Alexander

Dean, College of Engineering Dr. M. Katherine Banks

Dean, College of Geosciences Dr. Debbie Thomas

Dean, Bush School of Government and Public ServiceGeneral Mark A. Welsh III (Ret.)

Dean, School of Law Mr. Robert B. Ahdieh

Dean, College of Liberal ArtsDr. Pamela R. Matthews

Dean, College of Medicine Dr. Amy L. Waer

Dean, College of NursingDr. Nancy L. Fahrenwald

Dean, Irma Lerma Rangel College of Pharmacy Dr. Indra K. Reddy

Dean, School of Public Health Dr. Shawn G. Gibbs

Dean, College of ScienceDr. Valen E. Johnson

Dean, College of Veterinary Medicine and Biomedical Sciences Dr. John R. August

Dean, Texas A&M University Libraries Mr. David H. Carlson

Dean and Chief Operating Officer, Texas A&M University at Qatar Dr. César O. Malavé

Executive Vice President for Finance and Operations and Chief Financial Officer Dr. Jerry R. Strawser

Senior Vice President, Texas A&M University Health Science Center Mr. Gregory W. Hartman

Senior Vice President and Chief Marketing and Communications Officer Ms. Amy B. Smith

Vice Provost for Faculty Affairs and Interdisciplinary Initiatives (interim) Dr. Patrick Louchouart

Vice Provost for Academic Affairs and Strategic Initiatives. Dr. Michael T. Stephenson

Vice President and Associate Provost for Diversity (interim)Dr. Annie S. McGowan

Vice President for Brand Development Mr. Shane Hinckley

Vice President for Economic Development and Dean, School of Innovation. Dr. Andrew P. Morriss

Vice President for Enrollment and Academic Services Mr. Joseph P. Pettibon II

Vice President for Government Relations Mr. Michael G. O’Quinn

Vice President for Human Resources and Organizational Effectiveness Dr. Jeffrey A. Risinger

Vice President for Information Technology and Chief Information Officer Ms. M. Dee Childs

Vice President for Research Dr. Mark A. Barteau

Vice President for Student Affairs Dr. Daniel J. Pugh, Sr.

Vice President and Chief Operating Officer, Texas A&M University at Galveston. Colonel Michael E. Fossum (Ret.)

Chief Compliance Officer Mr. Kevin P. McGinnis

Commandant of the Corps of Cadets Brigadier General Joe E. Ramirez, Jr. (Ret.)

Associate Provost and Dean of Faculties Dr. Blanca Lupiani

Associate Provost and Dean of Graduate and Professional School Dr. Karen L. Butler-Purry

Associate Provost for Undergraduate Studies. Dr. Ann L. Kenimer

Associate Provost for Academic Affairs and Student Success. Dr. Timothy P. Scott

May 12, 2021
—9:00 a.m. Ceremony—

Candidates for Master's and Baccalaureate Degrees

College of Veterinary Medicine and Biomedical Sciences

College of Veterinary Medicine and Biomedical Sciences

Presented by Dr. Elizabeth A. Crouch, Associate Dean

Bachelor of Science

Biomedical Sciences

Sophia Abbasali
Michael Abreo
Christiana M. Adebowale
Georgia Lee Albrecht
Daniela Nikole
Almaguer Serrano
Kyle Leigh Anderson
Hannah Isabela Conwi Angeles
Lauren Kathleen Arnold
Cydney Grace Ayala
Megan Anne Babowicz
Ryan P. Bailey
Daisy Balderas
Kennedy R. Baxter
Lucas Cole Baxter
Brittany N. Beasley
Amanda Benavides
Joshua Austin Benton
Alecia L. Berry
Rebecca A. Bigelow
Anna Bjork Birgisson
Megan Nicole Bishop
James B. Bluhm
Juliana Cahill Bozeman
Gillian Lorraine Bradley
* Amy Elizabeth Briscoe
Tomas M. Britt
Kayla Ann Brown
Kendall Lee Brown
Chase Michelle Bruckner
Katherine Anita Buchanan
Amy Van Bui
Ashley Kristine Bundrick
Dabney N. Cahill

Alp Emre Cakir
Rachel Sara Calame
Samantha Marie Camara
Alexandra P. Campbell
Makayla R. Cantu
Cambrye Jordan Carter
Garrett E. Carter
Kaitlyn Elizabeth Carter
Katrina P. Caszatt
Stephanie Cavazos

Honors Fellows

Students graduating with Honors Fellows must have completed at least 30 hours of Honors course credit, including 9 hours in the University Core Curriculum and 12 hours in 300-400 level courses. Additionally, all Honors Fellows have completed a capstone project. Honors Fellows are required to remain active with the Honors Student Council and make an annual update to their ePortfolios. Students must maintain at least a 3.5 cumulative Grade Point Average with at least a 3.25 Grade Point Average in Honors coursework.

Latin Honors

Students graduating with Latin honors distinctions have enrolled in and successfully completed a minimum of 60 undergraduate semester hours required for the baccalaureate degree. The category of Latin honors attained is determined by grade point average of all college hours attempted, excluding transfer hours. The categories are as follows:

Cum Laude: A student may be graduated *Cum Laude* with a Grade Point Average of 3.50 to 3.699.

Magna Cum Laude: A student may be graduated *Magna Cum Laude* with a Grade Point Average of 3.70 to 3.899.

Summa Cum Laude: A student may be graduated *Summa Cum Laude* with a Grade Point Average of 3.90 or above.

Honors Stoles

Texas A&M undergraduates who complete the requirements for any of the distinctions listed above or for college- and departmental-level honors programs are awarded a gold satin stole to wear with their commencement robes. The university presents the stoles to honors graduates in recognition of their accomplishments.

Undergraduate Research Scholars

The Undergraduate Research Scholars program provides motivated undergraduates the opportunity to engage in quality, in-depth research experiences. Over two semesters Scholars work with faculty mentors to produce a formal undergraduate research thesis and a public presentation of their research results.

Academic Regalia

Academic institutions throughout the world have created a wide variety of customs including distinctive dress, color and ceremony to indicate the accomplishments of scholars. English traditions originating at Oxford and Cambridge led to the development of American academic regalia. By the twentieth century, institutions of higher learning in the United States had adopted a well-defined code of academic costume, which now includes the identification of the different academic degrees by distinctive gowns, hoods and colors. For instance, the baccalaureate gown is worn closed and is identified by long, pleated front panels and long, pointed sleeves. The master's gown has very long sleeves, closed at the bottom, and the arms of the wearer are placed through an opening in the front of the sleeves. Doctoral gowns are distinguished by velvet panels around the neck and down the front of the gown. Three horizontal black velvet bars also mark the doctorate. In America, the hood is the most colorful feature of academic regalia. The bachelor's hood, when worn, is comparatively short; the master's, a bit longer; and the doctor's, at four feet, reaches far down the wearer's back. The outside of the hood is black and is bordered with a two-, three- or five-inch band of velvet in the color representing the degree received, and the hood is lined with the colors of the granting institution. For instance, the Master of Arts hood from Texas A&M has a white border, for the discipline color of Arts, Letters and Humanities, with a maroon and white lining; the Master of Science hood has a golden yellow border, for Science, with a maroon and white lining; and the Doctor of Philosophy hood has a border in the blue of Philosophy with a maroon and white lining. Among the other discipline colors are Agriculture—maize, Architecture—violet, Business—olive green, Education—light blue, Engineering—orange and Veterinary Medicine—gray. These colors represent the degree earned, not the academic major. The Ph.D. in Engineering, for example, would normally wear the dark blue of Philosophy on the hood and gown instead of the orange of Engineering. Official guests of the University and members of the Board of Regents wear the doctor's gown with the blue of Philosophy on the front and hood.

Ceremonial Mace

The University mace, a gift of the Class of 1990, leads the academic procession at commencement and on other special ceremonial occasions. Historically, the use of a mace dates back to the Middle Ages and was carried before or placed near a magistrate or other dignitary as an ensign of authority. This mace is made of sterling silver, walnut and oak and depicts various University symbols. It was designed by Rodney Hill, Texas A&M architecture professor who also carved the staff. Silversmith Lane Coulter '78, of Santa Fe, prepared the silver head of the mace and Lars Stanley '74, of Austin, designed and manufactured the stand.

Gonfalons

The gonfalon, a flag that hangs from a crosspiece or frame, originated in the medieval republics of Italy as an ensign of state or office. Gonfalons have been adopted in many universities around the world as college or institutional insignias. The gonfalons displayed represent the colleges of Texas A&M University. The colors of the University, maroon and white, are joined together in a pattern common to all of the flags. The top portion is the designated color for each unit. The white field serves as a background for the symbol of each.

College of Agriculture and Life Sciences. On a ground of white appears an emerging sun of yellow and russet rays. Yellow, the discipline color of science, russet, the discipline color of natural resources, and the center orange, color of engineering, combine to illustrate the intellectual interest in human and biological systems and structures. The interweaving ring encompasses the dawn making a full circle of life.

College of Architecture. The hexagonal symbol is composed of three colors that represent the solid foundation of the college. Our Aggie core values (maroon) connect limitless possibilities and opportunities in learning, scholarship, and engagement for the college (blue) with the energy of creativity, innovation, and design to address them (yellow). The striped ribbon represents the drivers of the college's vision of quality of life, place, and human endeavors which is intertwined with a solid ribbon that represents where this vision is applied: the natural, built, and virtual environments. The six segments defined by the alternating striped and solid ribbon represent the six disciplinary domains of the college: urban planning, architecture, landscape architecture, land and property development, construction science, and visualization.

Mays Business School. The golden knot symbolizes unity and coordination of the disciplines of business administration. Surrounding the golden knot, a field of purple represents the rank of authority. The foundation of lozenges under the triangle illustrates the flow of order.

College of Dentistry. The color lilac has been associated with dentistry since the 1800s, symbolizing compassion and inspiration. Upon it, rests the Greek Omicron, O, representing the first letter in “odont,” meaning tooth, along with an interlaced Delta representing the letter D for Dentistry. The inner-most component of the emblem depicts healing, as signified with a serpent intertwined around the ancient cauterizing rod of the Greek god of healing, Asclepius. Included in the emblem, are 32 leaves and 20 berries representing both the primary and secondary teeth.

College of Education and Human Development. The flourishing flame blazoned with gold, light blue and royal purple signifies the burning zeal of the three missions of education--teaching, research and service. The hands hold the spiritual, social and intellectual flame of education.

College of Engineering. As the triangles collaborate alongside each other, projecting a diamond shape, they depict the strong relationship between the diverse engineering disciplines. The use of mathematics, science and technology provide the foundation of solving today’s challenging ideas between and within each engineering department. The center illustrates a circuit board to express the continuing growth in technology and engineering today, resulting in new industries and opportunities. The cohesive elements of this design work together as a whole symbolizing communication, interaction, teamwork, and balance in Engineering as the green, blue and navy color palette represents energy, loyalty, wisdom, professionalism and ambition.

College of Geosciences. The white field reveals a yellow sun representing our surrounding atmosphere. The mountain peaks and the horizontal band of golden land represent the lithosphere. The banded waves of white signify the hydrosphere. The atmosphere, lithosphere and hydrosphere form the total environment for life in our world.

Bush School of Government and Public Service. The star symbolizes pride and heritage in our great state of Texas. The two lines on either side of the star represent our connection with the past, and with the future, in an effort to build on experiences from history, while contributing and presenting new opportunities to future generations.

College of Liberal Arts. The golden torch symbolizes the various disciplines lighting the path to our goal, “Knowledge for Life.” The circle of blue, the traditional color of knowledge, represents the college’s unending, unbroken commitment to scholarship, learning, and responsible citizenship.

School of Law. A widely accepted symbol of peace, the olive leaves highlight one of the most critical contributions of law and legal order to human development. Curving inwards, they also bring to mind the Aggie Ring – and the circle of fellowship and community it represents. Lady Justice symbolizes the values our graduates bring to bear in their careers: a spirit of objectivity (blindfold), an unwavering commitment to fairness (scales), and the strength necessary to pursue it (sword). The six stars, finally, represent Texas A&M’s Core Values – Leadership, Respect, Loyalty, Excellence, Selfless Service, and Integrity – essential requirements of not only members of the legal profession, but all those who study the law and seek to advance justice, fairness, and the Rule of Law.

College of Medicine. The white field provides a background for the Aesculapian staff and serpent, long used as the symbol of the healing arts. The green color is the same displayed on the hoods and robes worn for the degree of Doctor of Medicine.

College of Nursing. The stars on the College of Nursing gonfalon represent caring, innovation and empowerment, while the cross symbolizes the origins of nursing. The candle honors the founder of nursing, Florence Nightingale. Apricot is the color of nursing.

School of Public Health. The anchor and caduceus are adapted from the national Public Health Service, which evolved from the Marine Hospital Service to the Public Health and Marine Hospital Service, and finally became the U.S. Public Health Service. The star represents the linkage of the School of Public Health with the Texas A&M Health Science Center and the State of Texas. The salmon color is the color of the public health hoods.

College of Science. This symbol’s segments represent the five departments of the College of Science--Biology, Chemistry, Mathematics, Physics and Astronomy, and Statistics. The interweaving of each depicts their close relationship to each other. The inner quilting represents the intellectual search in science and its continuing growth.

College of Veterinary Medicine and Biomedical Sciences. Resting upon a ground of purity, a white snake stands for the science and the art of prevention, cure or alleviation of disease and injury to animals. It is found entwined around a herald’s green staff--the symbol of service. The golden radiant triangle atop the Aesculapius illustrates the breadth of veterinary medical science.

“The Spirit of Aggieland”

By Mimms-Dunn

Some may boast of prowess’ bold,
Of the school they think so grand,
But there’s a spirit can ne’er be told,
It’s the spirit of Aggieland.

Chorus

We are the Aggies—the Aggies are we,
True to each other as Aggies can be.
We’ve got to fight, boys,
We’ve got to fight!
We’ve got to fight for Maroon and White.
After they’ve boosted all the rest,
They will come and join the best,
For we are the Aggies—the Aggies so true,
We’re from Texas A M U.

CONGRATULATIONS NEW GRADUATES!

WELCOME TO THE ASSOCIATION OF FORMER STUDENTS!

Today, as a proud graduate of Texas A&M University, graduates will turn their Aggie Rings so that the Class year faces away from the body symbolizing a readiness to face the world.

Being an Aggie lasts a lifetime! It is a life-long experience that is supported by the Aggie Network. By staying involved with Texas A&M through The Association of Former Students, together, we will continue the work of passing back the core values, traditions and experiences that make Texas A&M unique.

As you begin your new journey, we ask that when you're ready, you consider helping to pass it back to future generations. Join the Century Club at a 50% discount and proudly showcase your very own Century Club Member decal.

The Association
OF FORMER STUDENTS®

TEXAS A&M UNIVERSITY®

The Association of Former Students is **HERE** for Aggies during their days as students and former students, **THERE** for Aggies as they take their way around the world and **EVERYWHERE** that the Aggie Network needs us to be.
